Carbon Monoxide Sensor

Part Number: ZW01571CO

Features:

- **Extended wireless range and battery life**
- **High powered siren for local alarm**
- **Quick and easy to install**
- **Low power consumption**
- **Logging & Alarming for each sensor value**

- **The HALO Smart Smoke Sensor is designed to give early warning of developing fires by giving off an alarm sound from its internal siren**
- **The sensor is designed for application in home automation and the technology uses a low-power RF radio system**
- **Application can include domestic and home automation**
